BUSINESS

COUNCIL

FOR

SUSTAINABLE

DEVELOPMENT

WHO WE ARE

The Indonesia Business Council for Sustainable Development (IBCSO) is a CEO-led association of companies operating in Indonesia, who share the commitment on promoting sustainable development through sustainable economic growth, the ecological balance and social progress. This business council was launched in April 2011, and it also represents a new regional chapter of the WBCSD.

VISION

Our Vision is to become a world-class platform for businesses to share and promote best practice in tackling risks and taking advantage of opportunities related to sustainable development.

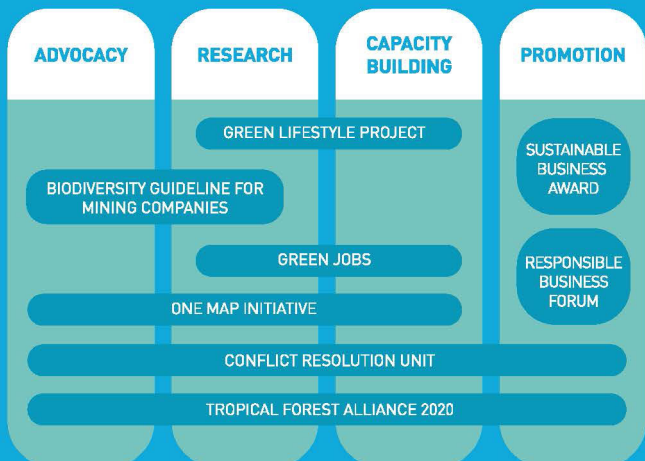

MISSION

Our missions are to:

- * Provide business leadership as a catalyst for change towards sustainable development.
- * Support the business license to operate, innovate and grow in a world increasingly shaped by sustainable development issues.

PROJECT

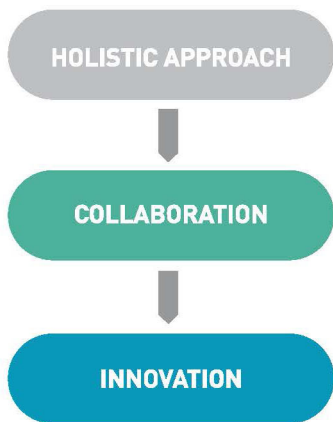

Our projects connect inter-related activities and thematic areas to ensure greater impact for targeting sustainable development goals (SDGs).

WHAT WE DO

HOW WE DO IT

ADVOCACY

IBCSD participate actively in debates that shape the policy agenda for sustainability and competitiveness by providing paper or policy recommendation, interactive dialogue, response to government consultation papers and business-led initiatives or being part of private sector's position.

RESEARCH

IBCSD conduct research as science-based approach in addressing issues and targeting solutions to scale-up business impact.

CAPACITY BUILDING

IBCSD initiate and promote capacity building programs activities such as training, workshop and seminars, to accelerate the integration of sustainable development into business practices.

PROMOTION

IBCSD share good sustainable business practices from the members so that their values can be recognized and enhanced.

HOLISTIC APPROACH

We cover main aspect of sustainable development for Indonesia business characteristics. IBCSD measure the true value of Financial, Social Impact and Natural Capital

COLLABORATION

We connect companies, partners and sectors to deliver results in cross-cutting themes that are aligned to current Indonesia and global concerns, and which are considered most relevant to the IBCSD members.

INNOVATION

We provide a platform for business to generate innovative sustainable solutions.

HOW TO JOIN MEMBERSHIP

If your company recognizes the need for engaging on sustainable development and wants to learn more, you should join the IBCSD.

If you have an established sustainability strategy but want to work together with other peer companies for greater collective impact, you should join the IBCSD.

Whether you are in early or advanced stages, the main requirement for membership is a “commitment to action” and a willingness to share experience!

Criteria and requirements

- * Operate and have a legal status in Indonesia
- * Have strong commitment to actively involved
- * Support IBCSD in maintaining reputation and SOP that are aligned with WBCSD
- * Publicly report on their performance within 2 years of becoming a member covering three elements: economic, environmental and social.
- * Be represented on the Council by CEO or equivalent level executive
- * Nominate a Liaison Delegate (Senior Vice President or similar)
