Indonesia Business Council
for Sustainable Development

2020

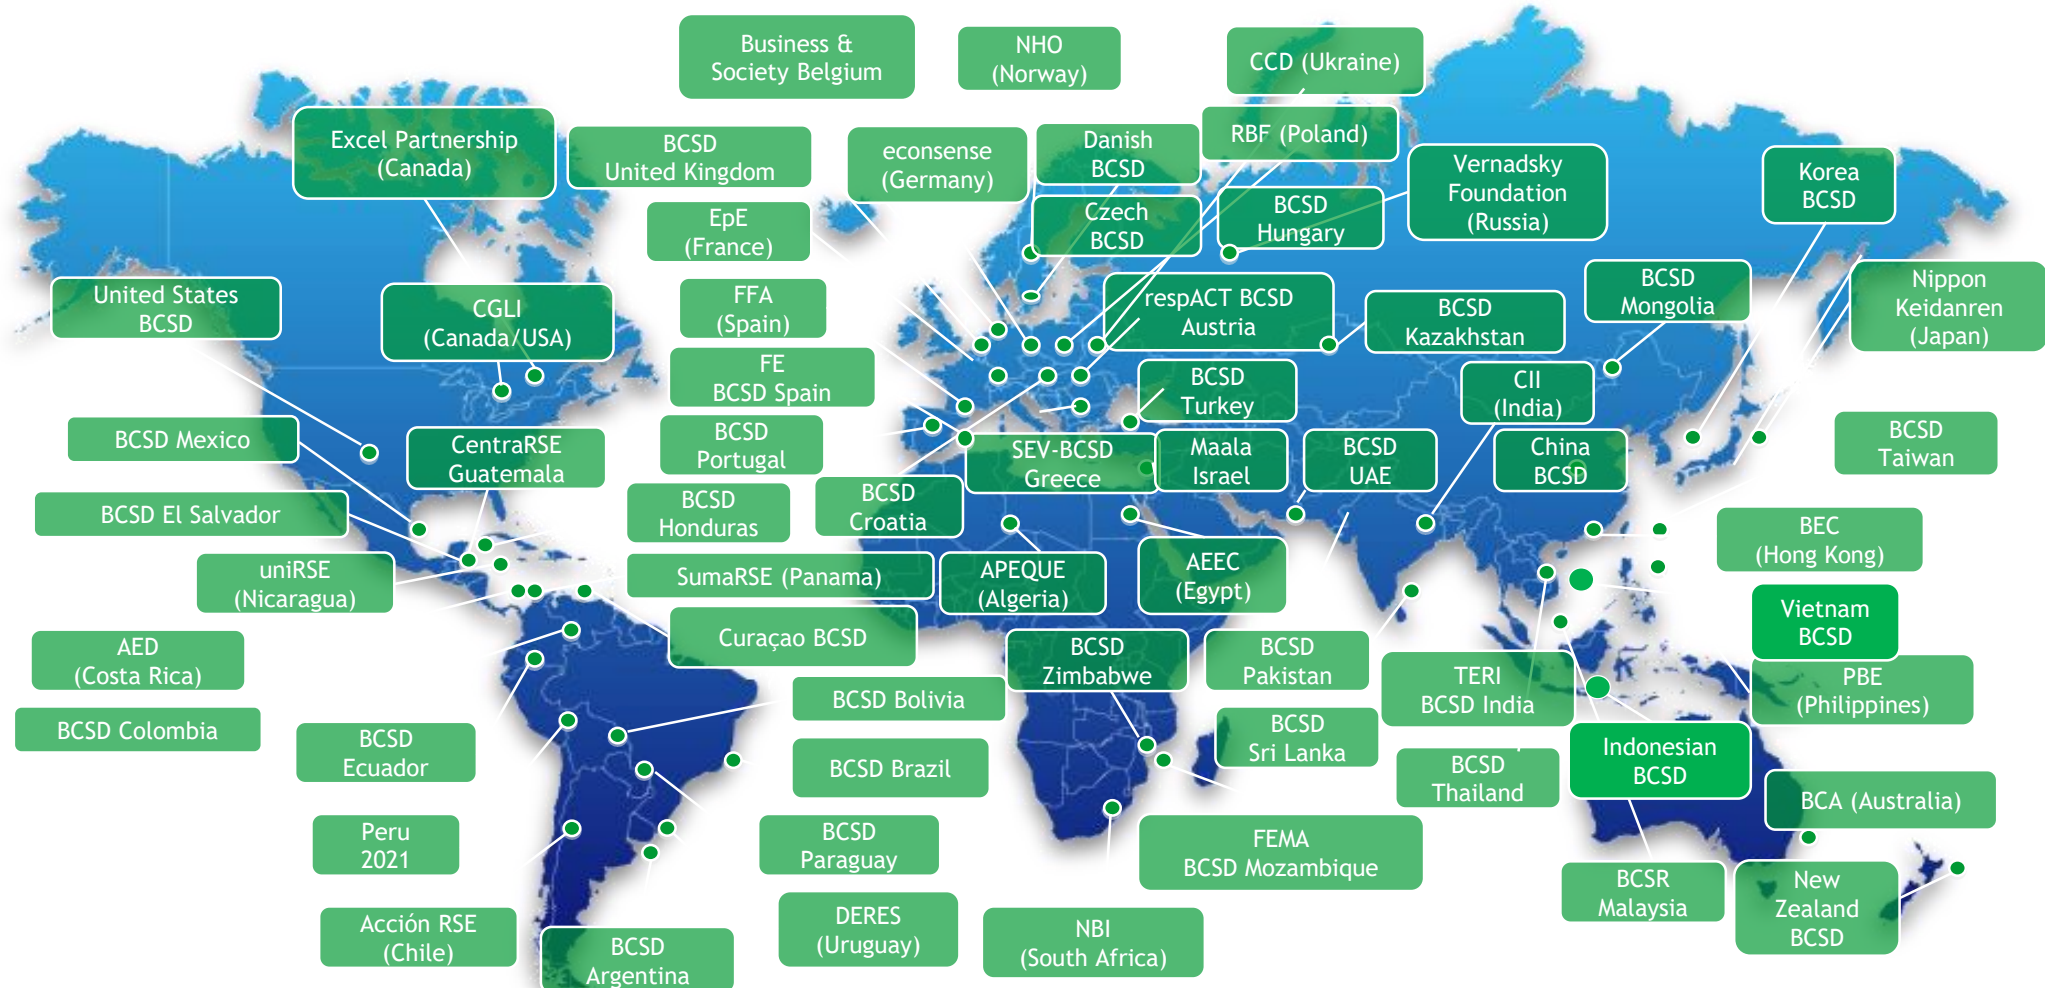

What are we?

“We are a CEO-led association that focuses on sustainable development”

The Indonesian Business Council for Sustainable Development (IBCSO) is a CEO-led association of companies operating in Indonesia, who share a commitment to promoting sustainable development through sustainable economic growth, ecological balance and social progress.

We are the regional network of WBCSD

1992 1993 1994 1995 1996 1997 1998 1999 2000 2001 2002 2003 2004 2005 2006 2007 2008 2009 2010 2011 2012

Established in 2011..

- The founding of IBCSD reflects nearly 4 years of effort within KADIN
- Launched 27 April 2011 by 6 Founding Members
- Legally established as an Indonesia Association on 6 October 2011

- ▶ Bakrie Telecom
- ▶ Holcim Indonesia
- ▶ Bank Negara Indonesia
- ▶ RAPP
- ▶ Garuda Indonesia
- ▶ Medco Power Indonesia

Vision

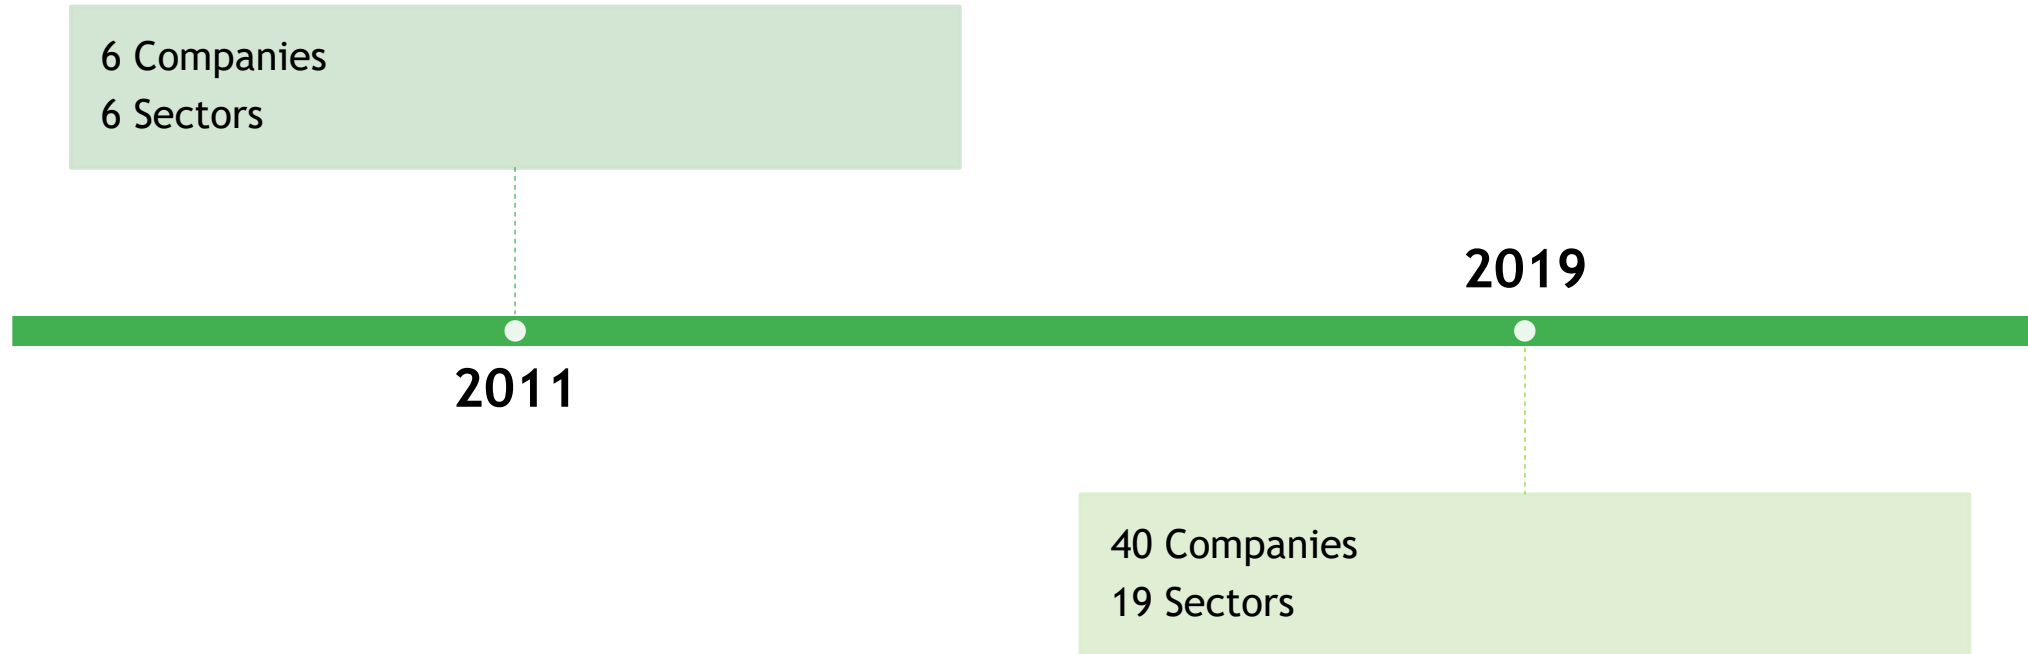

To become a **world-class platform** for businesses to share and promote best practice in tackling risks and taking advantage of opportunities related to sustainable development.

Mission

To provide business leadership as a catalyst for change towards sustainable development.

To support the business license to operate, innovate and grow in a world increasingly shaped by sustainable development issues.
